ARIZONA DEPARTMENT OF TRANSPORTATION

CRASH DATA

PUBLIC RECORD ELECTRONIC FILE

DISCLAIMER:

The Arizona Department of Transportation crash data is created in a format and maintained in furtherance of its business purposes. ADOT does not warrant the accuracy, adequacy or completeness of the information and materials provided. ADOT expressly disclaims liability for any errors or omissions in the information and materials. No warranty of any kind, implied, express or statutory, including but not limited to the non-infringement of third party rights, title, merchantability or fitness for a particular purpose and freedom from computer virus, is given in conjunction with the information and materials contained herein. The disclosure of the data under Arizona's public records law, ARS 39-121, et seq., shall not constitute a waiver of the protection of the data afforded under 23 U.S.C. Code Sec. 407 or other statute, rule or law.

IMPORT DATA EXPORT (CSV FILE) TO EXCEL:

Use Excel's text import wizard for import data in CSV format:

1.   Download and save your CSV file to location

2.   Start blank Excel workbook

3.   Select "Data" on the ribbon and then "From Text"

User is solely responsible for Excel import of digital data.
